Dear Valued Customer,

Johns Brothers Security has grown through the years by receiving referrals from customers like you. This simple approach of growing one customer at a time through word-of-mouth referrals has allowed us to grow to be one of the Largest Privately Owned Security Systems Company in Virginia and North Carolina. As a thank you to our loyal customers, we have developed a **Referral Rewards Program**. Please take a minute to review the information below and thank you for your continued support.

Referral Rewards Program

As a member of our **Rewards Program**, you are eligible to receive **Refer a Friend Monitoring Bonuses**. For every person that you refer to us that has a new system installed, you will receive a 3 month monitoring bonus. You will find a **Customer Referral Coupon** on the email you received. You can send this coupon to your friends and relatives to sweeten the offer. Here are some easy ways to get this going.

1. Share the Coupon on Facebook and other Social Media sites.
2. Email the Coupon to select friends and relatives.
3. Tell your friends to mention the Coupon when they call us.
4. We will ask them who referred them when they mention the Coupon so you get credit for it.

After the installation of their system we will send you the following referral voucher:
